Dear Parents,

Happy November! It's hard to believe how fast this year has been going by and how much fun we've had thus far! Summer has come and gone and we are already into the colder months of the year. With that being said, please make sure your child always has weather appropriate clothing. It's also really important that you label all of your child's belongings with their first and last name. This will really help with confusion and avoiding items getting misplaced. Snow pants and jackets will be hung on the hooks below your child's cubby. Boots will be

-Are you receiving our emails? We often send out emails regarding lesson plans, staffing, events, etc. The emails will be coming from Roberta@todayslifeonline.com or libby@todayslifeonline.com please let us know if you are not receiving these.

-Information about our Thankful Turkey event will be found on the following page. We hope you participate in this event with your child(ren)!

- Please make sure to bring weather appropriate clothing for your child to wear outside every day!

- Construction has officially begun on our new Brooklyn Park location! As many of you know, Today's Life is expanding to a new area and is pleased to serve new families and care for more children. The new location will be located near 610 and Zane Avenue. The estimated time of opening is early spring of 2018. We will be creating a new Facebook page for this location and invite you to follow along to see the progress throughout the winter months!

THANKFUL TURKEY

At the beginning of this month we will be sending two paper feathers home with each child.

Our hopes are that you will write what your child is thankful for (if they're old enough you can ask them to tell you) on the feathers and bring them back to add it to the turkey that will be on the wall in the foyer.
