

DECEMBER NEWSLETTER

What's going on Around School?

- ❖ We hope you had a great long Thanksgiving weekend.
- ❖ Our Holiday Party will be on Wednesday December 16th from 3:00PM-5:00PM. Children will be performing from 3:15PM-4:00PM and Santa will be here from 4:00PM-5:00PM. Please remember to pay the Santa fee (\$7.00 per child) by Tuesday December 1st.
- ❖ With the rain, slush, and snow here we want to avoid getting our classroom carpets dirty. Please bring a pair of inside shoes or slippers for your child to wear during the day. Boots and outside shoes will remain the hall outside your child's classroom.

- ❖ We will be having a fun door decorating contest this month. Vote for your favorite classroom door in the box by the office.
- ❖ We welcome Ms. Yvette to our center.
- ❖ We are excited to have Etta and Nora's grandma volunteer this month.
- ❖ Remember to take a look at the scholastic flyer that was sent home and order if you would like. They make great holiday gifts and we get bonus points to use towards classroom books.
- ❖ Parents we would really appreciate it if you could take a few minutes and write a review of Today's Life School on our Google page. Thank you!

Infant Classrooms

- *We welcome baby Adi to our classroom!
- *We are very excited because we have some fun projects planned this month. A few including: a footprint snowman, footprint Eskimo, and a few surprise gifts.
- *Our sign language for the month includes: snow, cold, no, and juice.

Toddler Classroom

- *This month we will be focusing on the letters I-J, the shape of a square, the color green, and the number 3.
- *Each day we do a fun and age appropriate art project that focuses on the toddlers small motor skills, learning, and creativity. You can find them posted in the hall before we send them home.
- *We also do many activities throughout the day to work on large motor skills. We are always having fun while learning at the same time!
- *Since we are preparing for the cold and a fun winter would like to remind all parents to please make sure your child's belongings are all labeled with their full name.

Preschool & Pre-K Classrooms

- *December is going to be a fun filled month in our classrooms. We are anxious to teach the children all about snow and the colder weather. We have many fun sensory activities planned that go along well with our themes this month.
- * We will be talking about different holidays and working on crafts and gifts for parents this month.
- *We are so excited for the holiday party – our classrooms are working everyday on their songs and are excited to sing.
