What's going on Around School?

- The toddlers and preschoolers had a wonderful memorable summer with our Summer Fun Program. We are bummed to know it's coming to an end on August 17th but are excited to get back into the school year routine this month.
- A big thank you to Erica and Jeremy Coy for coming and volunteering last month. We love having you visit and spend time with the children.

- Please bring in a family picture so we can post it in your child's classroom.
- Just a reminder that if you pay online and have other fees/adjustments to make to your weekly payments please just add it to the total and make ONE payment. If you want to clarify the sum or have any questions please feel free to email us. Thank you.
- We are very proud to announce that we have been awarded the 2018 Best preschool in Eden Prairie plaque.

ATTENTION PARENTS:

The office will need **UPDATED HEALTH CARE SUMMARY FORMS** for each child. Please reach out to your child's doctor and get that to the office by August 31st. Thank you.

Please take a moment to clean out your child's cubby and exchange any clothing that no longer fits and take home any art projects or extra items that are not needed at school. We are getting to move cubby's around for the school year and will have your new classroom assignments to you by August 17th.
